Dear Marcus and team at Queen City Law

Guys - you saved our lives !!! After graduating in NZ we thought it would be an easy process - we are really amazed how quickly you fixed our problem and had our passports stamped with PR status - Amazing ! We will continue to use QCL for all of our NZ based legal matters and will actively refer you to all our friends . Completely professional service with a touch of humour and such pleasant and helpful staff too.

Regards , Bu Yu .
