Dear Mr Beveridge

**Recent INZ Breakfast Briefing at Rendezvous Hotel**

Thank you for your letter of 19 May regarding the breakfast briefing held in Auckland on 6 May and hosted by the Minister of Immigration.

I would like to apologise that you did not receive an invitation to the briefing. Please let me assure you that it was not a deliberate decision to exclude you. I understand that your firm has had a long standing, positive, professional relationship with the Business Migration Branch and I trust that this will continue.

I will ensure that your name will be on the invitation list for any future events taking place in Auckland, as well as any similar events to the recent breakfast briefing that might be held outside Auckland.

Yours sincerely

**Nigel Bickle**  
**Deputy Chief Executive – Immigration**
