Hi Najah

Thank you for your email and nice comments about QCL - always good to hear.

Hey Champions,

"You are going to be my FIRST CREDITOR off the rank and would love if you could forward me an invoice for your professional costs. I've already paid for all outlays. You guys are one in a million and are to be commended. No wonder you win the yearly awards as best office. Not once did you harass me for money OR stop working for me knowing there was a good chance you wouldn't get paid. I wish I could plant you guys in Australia ☺ Anyway, I'm hoping my next project will be New Zealand."

Thank you for trusting and believing in me. I hope to see you guys real soon.

Regards,

Najah

I would be great if you could nominate us this year - see link below.

Thanks !

Sandra
