Dear Marcus

TESTIMONIAL

I would like to take this opportunity to thank you and your staff for the excellent legal service I have received from your firm over the past 15 years.

You and your staff have guided me through complex commercial matters and also provided spot on advice in the fields of family trusts, structuring, IT agreements and a whole array of other legal matters.

I have been highly impressed with the knowledge and expertise Queen City Law offers its clients and the quick turnaround achieved in providing such advice.

I appreciate the friendly and genuine interest taken in my affairs and would have no hesitation in recommending your services to my friends and business associates.

As you know given the respect I have for your firm I have referred a number of other leading Australasian businessmen to your practice and am pleased that invariably all have rated Queen City Law's services highly and believe that the relationship has indeed been value-added.

Long may our relationship continue.

Yours sincerely
